Who are Clinell?

Trusted nationwide

Since 2006, Clinell has been at the forefront of infection prevention. Today the Clinell Range has a wide selection of products to help clean and disinfect surfaces, but it all started with the Clinell Universal Wipe. Trusted by 9 out of 10 NHS hospitals, Clinell Universal Wipes have become the go-to infection prevention solution within the healthcare industry.

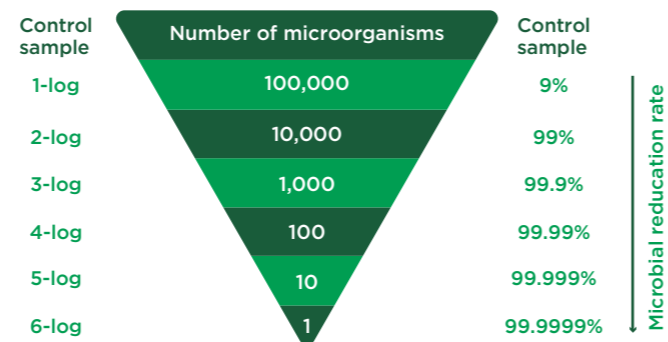

Clinell Universal Wipes 70

Clinell Universal Wipes offer safe and simple cleaning and disinfection, all in one wipe. Tough on germs but gentle on surfaces, our unique formulation is non-corrosive and free from bleach; perfect for surfaces around your home and even safe to use on children's toys, killing 99.99% of bacteria and viruses in 30 seconds*.

Why does efficacy matter?

Disinfection products show how effectively they remove microorganisms with a percentage on their packaging. This is called a log reduction. Log reductions are calculated by how well a disinfectant can kill 1 million microorganisms through laboratory testing.

Depending on how well a disinfectant performs, determines its log reduction, usually shown as a percentage. These values are:

Clinell Universal Wipes have a 4 log rating of 99.99%. Combined with its quick contact time for most microorganisms, our Universal Wipes are a one-step cleaning and disinfection solution you can rely on.

The key to Clinell

Clinell Universal Wipes 70

Clinell Universal Wipes are designed for real-world applications, not just a petri dish. A lot of science goes into each wipe to provide fast and effective results you can trust, killing 99.99% of bacteria and viruses in 30 seconds*.

Kills 99.99% of bacteria and viruses*

From 10 second contact time

Effective against Coronavirus, Norovirus & E.coli

How to use Clinell Universal Wipes

Remove from pack, open out and use flat

Working from top to bottom, clean to dirty, wipe in an 'S' shaped pattern.

Should your wipe dry out or become soiled, replace it with a new wipe. Let the surface air dry to maximise contact time.
