

ENVIRONMENTAL OBJECTIVES

2023 / 2024

The following measurable Environmental Objectives have been set for 2023 / 2024. All are compatible with the Environmental Policy and are based on the fiscal year:

1. Plastic-free product development – execute NPD plan: plastic-free patient care wipe and surface decontamination wipe
2. Recyclable packaging/packaging with recycled content – execute NPD plan: plastic-free patient care wipe and surface decontamination wipe
3. Carbon accounting – measure carbon emission of global upstream and downstream transportation and distribution of products.
4. Carbon Reduction Plan 2023 to be delivered as planned for FY 24.
5. Water management in own operations – implement policy on water management.
